THE DEMOCRATIC NOMINEE

Everything that comes to sand strengthens our belief that the numination of Gleveland was not a strong one for the democrats to make The eastern papers containing commedts on the nominees are now daily criting and out of the morning following the close of the con ventuen, they all agree that the nomination of Cleveland gives the country to Elnine Tie first of the large papers to arrive after the

with the facts as we understand them on have tried to explain them are succurating and well worth not ignate time when all forecast.

There is everywher, and always has it.e.) a doubtiess always will be a class funct one wholever consequence that have a ment been of society or of the body politic to their frequent and emphasis use of the overlasting and emphasis use of the overlasting no. Either than have been form with a sprit of pugnacity which prompts phese to cutton of prompts which prompts phese to cutton to them sent of second nature. These come to them sent of second nature. These ments as a matter of contractor the most part whatever the question in a minority for the moment the cause or party to which they have sent ments and in the cause or party to which they have sent prompts from part best git the feature of the prompts from the cause or party to which they have sent prompts from part best git the feature of the prompts from the cause or party to which they have sent prompts from part best git the feature of the prompts from the cause or party to which they have sent prompts from part best git the feature of the prompts from the cause or party to which they have sent prompts from part best git the feature of the prompts from the cause or party to which they have sent prompts from the cause or party to which they have sent prompts from part best git the feature of the prompts from the cause or party to which they have sent prompts from the cause or party to which they have sent prompts from the feature of the prompts from the feature of the f Lord Bacon both in opposition and when that faileth he groweth out of use. If the constructive faculty is not wholly wanting in such cases it cannot be exercised except index exottement of antagonism. The more deeper at the cause the more its champions are spit to glory in it—the more eloquist grow their appuals and the church deeper and the church deeper and the church deeper are the more eloquist grow their appeals and the church deeper and the pure dealing and brilliant be consistent of the large of the ome their deeds

Every little country community has in 1 men

The complete design where surveillated and the control of the cont enough of this stamp whose a trit of fault find ing and opposition is juste equal to their Laneral

of hyper-criticism or opposition now and their makes some good impulse of the heart wat a little too long upon the more deliberate judg ment of the head it at least secures full consid eration and dispressionate forethought and 12 the end and on the whole may had to bette things being done and well done than at the time it cannot be depied that that community obtrusive or influential mon or women so stif the exception of those named in the dispatches found by the spirit of opposition that they re clear broke till be d been lend a whole day

lisis Wade Hampton Morton General Wells seems that St. Pani. Phoneer Pro. , Says.

The democracy three doubties succeeded it doing one thing pretty effectually and that is totally now from the Het of doubties actes and while the thing pretty effectually and that is totally now for many stands ready to trade its write for local patronega to anybody who can give an equivalent on give a requisition of leveland has no equivalent to give many stands ready to trade its write for local patronega to anybody who can give an equivalent on give an equivalent of give heart y support to a cipidate whose che of the adhering support to a cipidate whose che of the adhering the fair or be of highly falls ittel like and gives heave factors and the word democracy. It is support to a cipidate whose the fair or be of highly ship be real scade by an entire fair or be of highly ship be real scade by an entire fair or be of highly ship be real scade by an entire fair or be of highly ship be real scade by an entire fair or be of highly ship be real scade by an entire fair or be of highly ship be real scade when the word democracy. It is supported and trades that the proposition of the fair of the synonymous with three beauts of the scale of the fair of the proposition of the fair of the went the St Paul Promeer Pre , says liele Wade Hampton Morton General Wells, which was a hendror Wallace Governor Albert of New thought as they did upon anybody outside of that state. The average Bourbon p litician has a perfect pass on for harding and the property of the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the same of the same of the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the same of the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the same of the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the same of the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest or most grace at \$1.1 yet the logs do well in both parade and picket duty about the swiftest du thought as they dd upon neybody outside of bethe swittest or most grace utkind yet the that state. The average Bourbon p liticium has a perfect pass on for hunting up a man without a record. Clyveland was stronger with the so mon because he had no nat onal reputs the bound no particular record. It taking it is need no particular record. It is need no particul as bound to win ever the mainest one tion which closed yesterday. The standility of their work was rendered conspicuously do sein up and their atter lants are celling att nition to heir very necessary stocks. The W. C. T. i. have a res
